

# The Jesus And Mary Chain, Tumbledown

She's a kick I couldn't miss  
Couldn't miss her little twist  
Get it on and get it good  
Couldn't guess she ever would  
Took up time and took up space  
She exists outside my space  
All I wanted was too much  
All I wanted was to touch

Don't expect to get inside me  
Give you all I got to give  
Hit me again and again  
Slip right to me  
And slide right through me  
Oh honey through me  
Away from you

She's a head I couldn't kick  
She's a head to make you sick  
It's a chance I never took  
When she caught me with that look  
It's a sin I've never seen  
And she tells me how it's been  
I'm in deep up to my head  
Give it all until I'm dead

Don't expect to get inside me  
This is all I've got to give  
Hit me again and again  
Slip right to me  
And slide right through me  
Oh honey through me  
Away from you
