

The Jesus Lizard, Mistletoe

You use mistletoe
You use mistletoe
I call poison control

You try to kill me
You try to kill me
I call poison control
You break my arm
You break my arm

You burn my head
You burn my head
I call the police in
I'll kill you now
I'll kill you now
I'll kill you now
I'll kill you now

I call my brother to here
I call my brother to here
You a lying crazy
I call my brother to here
Hey brother

You smother my breath
You cut my breast
I call an ambulance
You take me down
I call your name out

I need you with me
I call your name out
I love you my man
I call your name out

I want you to stay here
I call your name out
I can't leave you
I call you name out
You a pig-eyed comments
I'll give it to you
You a pig-eyed comments
I'll give it to you.
