

# The Jesus Lizard, Wheelchair Epidemic

Hep hep, hep hep, hep hep, hep hep

Your words are broken, you got the flu, that tour of smokin' your times are through

Your body's achin', you need a rest, your body's achin', take a rest I say

Ah ah, ah ah, ah ah, hey

Hep hep, hep hep, hep hep, hep hep

Hey everybody, you're all fucked up, have you been smoking pot, you're in a rut

Your body's achin', you need a rest, your body's achin', they got arrested say

Ah ah, ah ah, ah ah, hey

Hep hep, hep hep, hep hep, hep hep

Hep hep, hep hep, hep hep, hep hep

Your hands are too big, your clothes look plastic, are you stupid, or just a faggot

Your body's achin', you need a rest, your body's achin', they got arrested say

Ah ah, ah ah, ah ah, hey

Hep hep, hep hep, hep hep, hep hep
