

# The Jet Set, Tell me why

(Parlando):

I know that I did you wrong  
And I also know this might be our last dance  
But I just want you to know  
That I'm sorry baby, I'm sorry

(Vocal):

When I look in your eyes and see your smile  
You seem so far away from me  
So far away from all we use to hold so dear  
And I know it's me who brought the pain  
Who killed the flame  
Of love we had inside  
And now I'm left with only tears and pain  
And lonely sleepless nights

(Vocal):

Now I know I'm not the way I used to be before  
Now I feel that our hearts don't beat as one no more  
It is better for the both of us if we just let this love die

(Vocal, Ref.):

Tell me why, you don't look in my eyes  
So why

Tell me why, so why  
There's no love in your eyes  
Why is there no more us  
Everything is lost

Now I know that you don't need me in your life

(Parlando):

You know, there's a saying  
What goes around, comes around  
Well, if I could I would turn back the hands of time  
Just for you to see how much I love you

(Vocal):

Tell me why you don't hold me like you did before  
Am I not the most important woman in your life  
It is better for the both of us if we just let this love die

(Vocal, Ref.):

Tell me why, you don't look in my eyes  
So why

Tell me why, so why  
There's no love in your eyes  
Why is there no more us  
Everything is lost

Now I know that you don't need me in your life

(Vocal):

I don't wanna see you go away from here  
And now our dreams just disappear  
I don't want to see you throw this away  
I know you're just wanted to say goodbye  
I don't want you to see me cry  
Don't look at me in such a way

(Vocal, Ref.):

Tell me why, you don't look in my eyes  
So why

Tell me why, so why  
There's no love in your eyes  
Why is there no more us  
Everything is lost

Now I know that you don't need me in your life
