The Jets, Cross My Broken Heart

Cross my broken heart, boy Cross my broken heart for you Im going to stay this time Cross my broken heart, boy Swear III never part from you I want you to be mine

I know you think Im not Your picture perfect jewel Wholl never break apart When everything was cool

I needed to explore And open up the door But now I need you more

Im sending out a message A message so sincere When I close my eyes I need to feel you near

Cant get you off my mind For leaving me this time Im still in love with you

Cross my broken heart, boy Cross my broken heart for you Im going to stay this time Cross my broken heart, boy Swear III never part from you I want you to be mine

If I had your attention Id tell you what I learned Despite of good intentions Its easy to get burned

I learned my lesson well Its you I need to tell This time Im all for you

I need for you to trust me To give me all your best Ill prove just what your love means Just put me to the test

This time I need to stay Dont need to go away Im still in love with you

Cross my broken heart, boy Cross my broken heart for you Im going to stay this time Cross my broken heart, boy Swear III never part from you I want you to be mine

Youre my morning sun Youre my shinging star Youre my number one Cross my broken heart

In your eyes I see What you mean to me Youre my destiny

Im sending out a message A message so sincere When I close my eyes I need to feel you near

Cant get you off my mind For leaving me this time Im still in love with you

Youre my morning sun Youre my shinging star Youre my number one Cross my broken heart

In your eyes I see What you mean to me Youre my destiny
