

# The Jets, Crush On You

How did you know 'cause I never told  
You found out,  
I've got a crush on you  
No more charades,  
My hearts been displayed,  
You found out,  
I've got a crush on you

You must have heard it  
From my best friend  
She's always talkin when she should be listenin  
Can't keep a secret  
To save her life  
But still I trusted her with all I felt inside  
I never knew, a rumor could spread so fast  
(cause now the) Word is out!  
All over town  
That I'm longing for you

Chorus  
How did you know If i never told  
You found out I've got a crush on you  
No more sharades,  
My hearts been displayed  
You found out I've got a crush on you

Maybe I was the one who left the trace  
Was there a message written on my face  
One little emotion so easily read  
That you would know my love before a word was said...  
Was it my eyes that let you know you had control  
Because the way you move  
It was so self-assured  
You knew I would surrender!
