

# The Jets, You Got It All

I, I was a game he would play  
He brought the clouds to my day  
Then like a ray of light  
You came my way one night  
Just one look and I knew  
You would make everything clear  
Make all the clouds disappear  
Put all your fears to rest  
Who do I love the best?  
Don't you know, don't you know

You got it all over him  
You got me over him  
Honey it's true  
There's just you  
You must have been heaven sent  
Hearing me call you went  
Out on a limb  
And you're all that he's not  
Just look what I got  
Cause you got it all  
Over him

No, don't let him worry you so  
Once I met you I let go  
Oh you can surely see  
You're so much more to me  
Just one look and I knew  
You would make everything clear  
Make all the clouds disappear

You're better than all the rest  
Who do I love the best  
Don't you know, don't you know

You got it all over him  
You got me over him  
Honey it's true  
There's just you  
You must have been heaven sent  
Hearing me call you went  
Out on a limb  
And you're all that he's not  
Just look what I got  
Cause you got it all  
All over him  
(You got it all over him, You got me over him)  
Honey it's true there's just you  
You must have been heaven sent  
Hearing me call you went  
Out on a limb  
And you're all that he's not  
Just look what I got  
Cause you got it all  
All over him  
Honey it's true  
There's just you  
You must have been heaven sent  
Hearing me call you went out on a limb  
fade out
