

# The Judds, Mama He's Crazy

Mama, I found someone  
Like you said would come along  
He's a sight and so unlike  
Any man I've known  
I was afraid to let him in  
'Cause I'm not the trustin' kind  
But now I'm convinced that he's heaven sent  
And must be out of his mind  
Mama, he's crazy, crazy over me  
And in my life is where he says  
He always wants to be  
I've never been so in love  
He beats all I've ever seen  
And mama, he's crazy, he's crazy over me  
And mama, you've always said  
You better look before you leap  
But maybe so, but here I go  
Lettin' my heart lead me  
He thinks I hung the moon and stars  
I think he's a livin' dream  
Well, there are men, but ones like him  
Are few and far between  
Mama, he's crazy, crazy over me  
And in my life is where he says  
He always wants to be  
I've never been so in love  
He beats all I've ever seen  
Mama, he's crazy, he's crazy over me  
Oh mama, he's crazy, he's crazy over me
