The Juliana Theory, I Didn't Mean To Break Your

I thought I'd give you a call
'Cause I saw you the other day
You were wearing the jacket I bought you
For your 17th birthday

I don't know what to tell you (I don't know what to tell you)
Things just went wrong from the start
And I guess I could say that I'm sorry
I didn't mean to be a stupid boy
Who broke your heart

And I heard you say yesterday
That you hate me
'Cause of what I put you through
Susan I can't say that I blame you anyways
I'd be lying if I didn't say it hurt me too

I don't know what to tell you (I don't know what to tell you)
Things just went wrong from the start
And I guess I could say that I'm sorry
I didn't mean to be the stupid boy
Who broke your heart.
