

# The Juliana Theory, Infatuation

I should have known better than  
To breathe you in the first time  
I held you there for just a second  
But the mistake was mine

Now I can't take my hands off you  
(I can't keep my hands off of you)  
Now I can't take my hands off you  
(I can't keep my hands off of you)

I thought I'd only hold you once more  
(Then I thought I'd let you go)  
Then I thought I'd let you go  
(Then I thought I'd let you go)

I thought once would be enough  
But I guess that wasn't so  
I guess that wasn't so  
I guess that wasn't so  
I guess that wasn't so

Now I can't take my hands off you  
(I can't keep my hands off of you)

Now I need you  
Now I need you  
Now I need you  
Now I need you  
Now I need you  
Now I need you  
Now I need you  
Now I need you  
Every day  
Now I need you  
Now I need you  
Every day  
Now I need you

Now I need you  
Now I need you  
Every day  
Now I need you  
Now I need you  
Every day  
Now I need you  
Every day I need you more and more

And I thought I'd let you go  
(And I thought I'd let you go)  
And I thought I'd let you go  
I thought once would be enough  
But I guess that wasn't so

And I thought I'd let you go  
(And I thought I'd let you go)  
I thought once would be enough  
But I guess that wasn't so

So...  
So...  
So...  
So...  
So...  
So...  
So...  
So...

So...  
So...  
So...

Every day I need you more and more  
Now I can't take my hands off you  
(I can't keep my hands off of you)  
Now I can't take my hands off you  
(I can't keep my hands off of you)

I thought I'd
