

# The Juliana Theory, Variations On A Theme

You saw her on the 4:15  
On a downtown tuesday  
You wonder where she's heading to  
Cause it's a little bit early  
Her eyes reflect that she's on top  
Of a whirlwind business blitz  
But as a matter of fact there's all too much of that

Because she's anyone  
Anywhere  
Anyone  
Anywhere  
She's anyone  
Anywhere  
Anyone  
Anywhere

You saw her leaving by the back  
On a frigid Sunday  
You barely noticed as she passed  
Because you always hurry  
Now speeding off you retrace the steps  
On an endless procession  
But as a matter of fact there's all too much of that

Because she's anyone  
Anywhere  
Anyone  
Anywhere  
She's anyone  
Anywhere  
Anyone  
Anywhere

You caught her on the 4:15  
It's a payday Friday  
You've gathered where she's heading to  
Cause it's a little bit early  
Again you wait to make your move  
To a conversation's birth  
But as a matter of fact there's all too much of that

She's anyone  
Anywhere  
Anyone  
Anywhere  
She's anyone  
Anywhere  
Anyone  
Anywhere
