

# The Katies, Noggin Poundin

(verse)

I'm so torn up I can't get enough of you but baby  
I don't mind but I can't bring you down so tell me  
If I do and I'll slow down  
Sometimes it gets, it gets so hard, it gets so  
Hard not being around you

(chorus)

You know me off my feet  
and my knees are Weak and broken  
You drive me crazy baby,  
I'm tongue tied and underspoken

(verse)

I can't get you out  
I'm all wrapped up in you girl  
But baby, I don't mind  
And I can't bring you down  
So if you want me to  
I won't get loud  
Sometimes it gets..
