

The Katies, Shisiedo

(verse)

I'm tired of waiting
you said you'd be back soon but that was late last june.
I'm spinning in your moon
But I'm getting tired of you and what you do
To my head when I loose you.
So I spill a little
like penny bottle wax,
are you coming back
And is it grace like that?
What am I to do
when I'm way too much for you,
When you're all I need but not enough for me.

(chorus)

Shisiedo, don't think so,
You're trying, I'm lying
You let go and bend close
You're so pretty when you're smiling
And I know you won't go
I kick start my crying
You let go and bend close
You're so pretty when I'm dying.

(verse)

It's all to simple
To make sense for me
So I play like tragedy
And pine for your sympathy
I guess you're leaving me
What am I to do
When you wouldn't stay
And I couldn't say
You look like Jesus,
And you talk like Jesus
And you dress like Jesus
So must be Jesus
And that's what I can't stay
Cause that's the only thing
That makes me feel this way so lost in outer space.

(Bridge)

I've lost my senses
I should have never said this
With me and Jesus dying
You're so pretty when you're not trying
