

The Kelly Family, Baby Smile

Baby smile, baby smile
Baby laughing, baby crying
Don't cry baby, baby smile
All the babies in the world
They laugh and play
Why don't we all do just like them
Baby smile, baby smile, baby smile
Baby smile, baby smile, baby smile
Don't cry baby, baby smile
Mum is cooking little pancakes
Baby gets into the fridge
Opens up the door and drops an egg
She keeps cooking, doesn't hear him
Baby's still in the fridge
Drops another egg and grabs the butter
Baby naughty, baby naughty, baby naughty
Baby naughty, baby naughty, baby naughty
Don't cry baby, baby smile
Baby smile, baby smile, baby smile
Baby smile, baby smile, baby smile
Don't cry baby, baby smile
Mum serves breakfast for the children
Needs some butter for the pancakes
Spots the baby, gooyie, gooyie
Baby looks up very smiley
Mum grabs baby, scrubs him up
While all the other children clean up, gooyie, gooyie
Baby smile, baby smile, baby smile
Baby smile, baby smile, baby smile
Don't cry baby, baby smile
Don't cry baby, baby smile
