

The Kelly Family, By the riverside

Hey little pigeon where are you
coming from
you flew across the sky and now
you're in my hometown
hey little pigeon here's where
you're flying to
take this letter to her house
by the riverside, riverside

Chorus

I feel love when I look
I can't wait I'm really shooked
feel love when I look into
your eyes

You searched for my treasure
over the atlantic sky did she get my
message right did she laugh or cry
hey little pigeon oh if you only knew
the things I'd do to fly with you
to hear her reply her reply

Chorus

when I look into your eyes
when I look it feels so nice
When I look into your eyes
