

# The Kelly Family, Calling Heaven

I'm waiting for my visit  
They'll fill this room with flowers at all  
They'll put on their biggest smile  
But only for a while  
If only I could help it  
If only mercy'd be on my side  
I wouldn't have to die  
And my family wouldn't cry  
But the pain is getting far too strong  
And the medicines won't hold it for long  
It's getting closer  
So I'm waiting for someone to come  
To come and take my soul where it belongs  
But noone's coming, no one  
So I'm

Chorus:

Calling heaven now 2x  
Calling heaven's hand  
So heaven help  
I try to find the answer  
I try to find the reason why I  
I'm leaving them all behind  
But there's something I will find  
The blood's still running through my heart  
But my hairs are slowly falling apart  
And I just can't take it  
So I'm waiting for someone to come  
To come and take my soul where it belongs  
But noone's coming, no one  
So I'm

Chorus

I see it in their faces  
They know I will be leaving tonight  
But somewhere down the line  
I'm sure we'll meet again  
Somewhere down the line  
I'm sure we'll meet again!
