

# The Kelly Family, Crazy

Say why am I so crazy  
I'm sorry  
I can't stop me from growing  
They ask me  
Why am I crazy  
And I tell them  
I can't stop me from growing  
Why am I so,so,so crazy  
I think that I'm just an artist  
Being crazy is a lonely road  
But I've got only one life to live  
That's my life-that's your life  
Yeah singing through  
And nobody will stop me from growing
