

The Kelly Family, David's song

(Wholl come with me?)
Wholl come with me?
Dont be afraid,
I know the way.
Wholl sing with me?
Dont be afraid,
Ill show the way.
Wholl dance with me?
All through the world,
Dont be afraid,
Ill show the way.
Well go with you.
We searched the way
To find your star.
Wholl come with us?
Dont be afraid,
We found the way.
Wholl fly with me
To reach a star?
Dont be afraid,
I know the way.
Hello to all you young ones,
Our foundest hopes
Now rest in you.
Remember theres nothing you cant do
So believe and be brave.
Wholl be my friend
And walk with me
And sing this song?
Wholl love with me?
Well change the world
And set it free.
Well walk with you.
Well be your friend.
Well sing your song.
We know the way.
