

# The Kelly Family, Flip a Coin

I recall, a friend of mine  
with a tear in my eye  
I stand, all alone here at the altar  
he's out  
I'm left with the problem now  
I'm here on earth left with the pain  
look what you've done  
you should have called  
flip a coin, flip a coin, flip a coin  
yeah heads I win tails you loose  
flip a coin, flip a coin, flip a coin  
yeah heads I win tails you loose  
sorry I couldn't help  
take it back  
sorry I didn't help  
well f... you, you could have called  
what about us, what about me  
what about the years I spent  
pampering your ass  
running here running there  
"oh I'm so great, I'm so great  
I'm fine I'm fine" you lied  
you promised to give your family  
a break, from your blows  
look at the sad faces you've  
left behind now  
I let you down? no you let me down  
I got a family to feed  
you got a little kid yourself now,  
you know what I mean?  
you were supposed to stay  
no one gave you the right  
to take your life that way  
flip a coin...  
halle halle halle  
halle halle halleluya  
I feel hate, I feel pain  
I feel cold, I feel ashamed  
where's the father you should  
have been to your daughter?  
sad news, sad days  
where are you now?  
talk to me, come on talk to me  
why brother why?  
flip a coin...  
halle halle halle  
halle halle halleluya  
you could have gone a different way  
(in memory of pat)
