

The Kelly Family, I'm so happy

Im flying, dancing, Im having some fun
I emptyd a bottle, Im feeling so young
My baby she threw me out of the home
Oh home, out of the home
Im so happy Im os happy
I aint got a dime but Im happy
Im so happy Im so happy
Got holes in my shoes but Im happy
I needed some action, I went in to town
I cought up with people, just hangin around
I told them my story, theyd heard it before
Oh oh, theyd heard it before
Im so happy...
I cant believe it, she just threw me out
But do you know what? Im happy
Im so happy...
Do you what? Im happy
Im so happy
Im so happy Im so happy
Ive lost all Ive got, but Im happy
Im so happy Im so happy
They stole all my clothes but Im happy,
but Im happy
