

The Kelly Family, I Wanna Kiss You

Woke up this morning and I put on my Shoes
Fixed up my hair an then I put on my Rouge
Hopped out my window into your brand New car
Somethings happening between
You and I
Somethings going on deep down inside
Were going dancing baby all through The night
My heart is beating cant be wrong
It feels right
I know for sure that it was love at
First sight
Somethings happening between you and I
Somethings going on deep down inside
I wanna kiss you but Im afraid
I wanna touch you but Im afraid
Daddys gonna get mad I dont wanna lose you
I wanna kiss you but Im afraid
I wanna touch you but Im afraid
Daddys gonna get mad I dont wanna lose you
Last night I dreamed that we were
Running away
The same old story and babe the same Old game
But I know honey this time its not the Same
Somethings happening between you and I
Somethings going on deep down inside
I wanna kiss you but Im afraid
I guess Im too romantic for you babe
I guess Im too romantic for you babe
Id sail across the Atlantic for you babe
Id sail across the Atlantic for you babe
I wanna kiss you but Im afraid
