

The Kelly Family, I wish the very best

you, you used to be
a friend more like a
brother to me
you drifted off, you drifted off
and flew away
but that's o.k.
I'm sure we'll meet again
some day
some day
I wish the very best
for you in life
I hope you're happy
with your wife
I wish the very best for you in life
I hope you're happy
with your wife
forgive me now
forgive me for all the hurt
I've done
forgive them all
forgive them for all the harm
they've done
brothers that didn't get along
had sons which friendship
was so strong
it drifted off, it drifted off
and flew away
a sad story doesn't have to
have a sad end
until we meet again
I wish the very best
for you in life
I hope you're happy
with your wife
I wish the very best
for you in life
I hope you're happy
with your wife
forgive me now...
I wish the very best...
