

# The Kelly Family, Look Up My File

Oh yeah  
If you wanna be my baby  
then try another mayby  
I wouldnt wait for the last chance to dance  
You want me for my money  
then shout it up, which honey  
I wouldnt bullshit with you in any way  
Look up my file, Im not a liar  
Im not good at talking, but one thing I can say  
Look up my file, Im not a liar  
I wouldnt mess with the God to trust this way  
Im sick of little liars  
they promise you desires  
they aint no fucking settle  
they aint no loving mail  
Were stars for little ladies  
they wanna be my baby  
theres nothing wrong with that,  
but Im not a drug for sale  
Look up my file, Im not a liar  
Im not good at talking, but one thing I can say  
Look up my file, Im not a liar  
I wouldnt mess with the God to trust this way  
You gotta look, you got me hurt  
you spin around, I cant feel the ground  
you say "Hello" and then you go  
but youll be back and then Im on the edge  
Oh yeah  
I say, I say, I say  
Look up my file, Im not a liar  
Im not good at talking, but one thing I can say  
Look up my file, Im not a liar  
I wouldnt mess with God to trust this way  
Look up my file, Im not a liar  
I wouldnt bullshit with you in any way  
Look up my file, Im not a liar  
Im not good at talking, but one thing I can say is...  
Yeah!  
Ha ha ha
