

The Kelly Family, Mister big time

Hey, Mr. Big Time
You're not the only one.
Hey, Mr. Big Time
We'll fight you any day.
I wake up in the morning
I spread my wings to soul
I look up straight above me
The endless view of sky.
We fly and we fly
We fly like a free bird flies
We fly and we fly
We fly like a free bird flies.
The wind that blows above me
Helps me reach the sky
I bring the sunlight with me
And your soul is so to high.
Hey Mr. Big Time...
I wake up in the morning
I spread my wings to soul
The wind that blows above me
Helps me reach the sky.
We fly and we fly...
