## The Kelly Family, Okey papa

Okey kids, its your world now I believe in you, so dont let me down Never doubt your powers, no not you She told me to do a super job So give us all you have Okey Papa, its our world now We believe in you, well make it now Well change this whole world all I try We told her well do a super job Well give it all we have We told her well do a super job We give it all we have Stand back you kids Its my turn now I believe in me Ill show you now I have much more power, yes i do Me, I do a super, super job So give us all you can Okey kids... We need you to do a super job so give us all you have
