

# The Kelly Family, Once In A While

Once in a while is see you  
once in a while i don't  
and when i when i see you  
i feel like flying over  
flying over the clouds oh yeah  
oh i wanna do something for you  
i could fix your broken shoe  
i don't wanna hide  
oh i wanna help you find the clue  
so that we save our own few  
i don't wanna hide  
i wanted to buy you some flowers  
went downtown but the shops were closed  
but when i saw you smiling  
i felt like flying over  
flying over the clouds oh yeah  
oh i wanna do something for you  
just tell me what to do  
i don't wanna hide  
but i know you'll be leaving soon  
but i never will forget you  
don't want to hide  
Why will it take so long  
until i can see you again  
and you know  
it's just a dream oh yeah...  
Oh i wanna do something for you...  
Why will it take so long...  
Eeh yeah...
