

The Kelly Family, Stay Beside Me

One day I promise you
If you stay it will be OK
As long as you stay beside me
Stay beside me, it will be OK
And this day is on its way
So close your eyes and follow me
As long as you stay beside me
Stay beside me, it will be OK
Baby, baby, baby
Baby, baby, baby
It will be OK
Someone's trying to hurt
We're so strong, we're gonna go on
As long as we stay together
Stay together it will be OK
You know there's a way about me babe
Baby, baby, baby
Baby, baby, baby
Stay beside me
Stay beside me
It will be OK
