

# The Kelly Family, True Love

People talking about true love all around  
but i've never seen it, i must be too young  
you learn and you burn and that is the game  
the famous game they call of falling in love  
don't give don't give any hope it was not supposed to be  
i've learned and i've burned and now i'm happy  
i have my own family with a smile on their face  
hold on 'cause all i want is that smile of yours in my child  
give me give me all your love it was supposed to be  
our love is strong  
our love is strong,  
when it gets hard 'cause life ain't easy  
running is easy, staying is hard  
hold on 'cause all i want is that smile in my child  
give me give me all your love it was supposed to be  
our love is strong so just hold on to me  
our love is strong so just hold on to me  
our love is strong  
it is strong yes it is
