

# The Kelly Family, Walk Into The Paradise

Walk Into The Paradise

Who was thinking

We could smile that way

We could sing that song

We could hold that road

We could see that one

We could hold that street

In a set me free

I would scratch your back

When you shave my feet

Walk into the paradise, paradise, baby, paradise

Walk into the paradise, paradise, baby, paradise

I was wondering if you hold my hand

Would you love me still?

Would you take that love?

Would you take that song?

Would you dance this walk?

Would you sing that talk?

Would you hold that love?

Would you see that smile?

Walk into the paradise, paradise, baby, paradise

Walk into the paradise, paradise, baby, paradise

Walk into the paradise, paradise, baby, paradise

Walk into the paradise, paradise, baby, paradise

"Honey, ehm, darling, would you, ehm

Would you like, you know, you know I like

Would you, would you, would you like to dance with me?

Well, well, you know, maybe we could, ehm, do you know

Do that thing for me, you know. You know what I'm saying!"

"What are you saying?" Wham

Who was thinking

We could walk this way

We could sing that song

We could hold that dream

We could smile that way

We could

Walk into the paradise, oh yeah, paradise, baby, paradise

Walk into the paradise, oh yeah, paradise, baby, paradise

Walk into the paradise, paradise, baby, paradise

Walk into the paradise, paradise, baby, paradise

Walk into the paradise, paradise, baby, paradise

Walk into the paradise, paradise, baby, paradise

Walk into the paradise, paradise, baby, paradise
