

# The Kelly Family, You're losing me

You don't understand  
The things you did to me  
You don't understand  
You don't understand at all  
My hopes were great and true  
But there's nothing I could do  
All the pain you caused  
You don't understand at all  
You're losing me  
You're losing my love  
If you can turn around  
Stop all your lies  
Years went by and lost  
I'm picking up my rests  
I'm lifting up my life  
You no longer understand  
You know better than I  
Why it couldn't work  
Let us part in peace  
For the little one of mine Oh yeah  
You're losing me ...  
We both need a break right now  
Stop it all and let's go home  
We all need a break right now  
Stop it all and let's go home  
You're losing me ...  
Never more will my lips  
Speak your name.
