

The Kid LAROI, ALWAYS DO

Said, i wouldn't drink
But i did the same day
Shit i lied to your face
Like i always do
Said i was gon' change
Both know that i can't
Shit i'd rather take the balme
Like i always do
I been the same over since the first day
Now you actin' surprised
But bitch , you always knew
Maybe it's time for me to find somebody else
Like i always do
