

The Kid LAROI, Forever & Again (Piosenka z filmu)

Utwór Forever & Again to piosenka z filmu Barbie. Premiera już wkrótce.

Used to be one you would wait on
All the nights I couldn't find my way home
I was at the bottom, I was all gone
So I don't want to start to be with you (Oh)

You keep on fighting through your fears, your demons
Holdin' back your tears, I see it
You don't wanna show your weakness
I already know your secret
Every single time, you wake up in the night
You'll find me next to you

When it all falls down and no one is around
Till my breath runs out, six feet underground
I'ma be there, this will never end
I'll always be there, forever and again
When you lose all hope and darkness takin' over
Till my blood runs cold, I won't let you go
I'ma be there, this will never end
I'll always be there, forever and again

(I lost a lot)
Lost in your pain (Ooh), too numb to feel a thing (Thing)
Lost in your pain, can't fly with a broken wing, thank you fate (Oh)
Don't run away from me, nothin'll change (It won't)
Don't run away from me

Fightin' through your fears, your demons
Holdin' back your tears, I see it
You don't wanna show your weakness
I already know your secret
Every single time, you wake up in the night
You'll find me next to you

When it all falls down and no one is around
Till my breath runs out, six feet underground
I'ma be there, this will never end
I'll always be there, forever and again
When you lose all hope and darkness takin' over
Till my blood runs cold, I won't let you go
I'ma be there, this will never end
I'll always be there, forever and again

I'll always be there, this will never end
I'll always be there, forever and again
