

# The Kid LAROI, Nights Like This

Hold my hand until we turn to ashes  
Love me 'til they put me in my casket (Casket)  
I got all these feelings that I'm maskin' (Maskin')  
Can I lay it on you? That's what I'm askin'

Day one, kissing at a house that your parents  
Dived 'fore you went in, how'd you forget it?  
I think about you and nothin' else, on me  
If you would just come over, I could show you for myself

It's night like this when I need your love  
When I need someone that'll read my songs  
It's night like these, nights like, nights like these, ooh-ooh

Nights like these  
Ooh-ooh

It's night like this when I need your love  
When I need someone that'll read my songs  
It's night like these, nights like, nights like these, ooh-ooh
