

# The Kid LAROI, The Line

One, two, three

You've done things that I don't like  
But you crossed the line this time  
Don't say sorry, don't apologize  
'Cause you crossed the line this time

And after three years, I'm just another one  
Found somebody else, another one  
But I miss you around, and my mother does  
She always asks about you  
I heard all the whispers on the street  
It contradicts the things you said to me  
You're convinced that you know how to please  
And I don't know how I'm supposed to leave  
You said that you got love for me still, did you mean it?  
I think about it whenever I'm alone and the pain hits  
Talkin' to me crazy, baby, that shit demeanin'  
But this time it's different now, you see

You've done things that I don't like  
But you crossed the line this time  
Don't say sorry, don't apologize  
'Cause you crossed the line this time  
Tell me how

Tell me how you escaped  
Don't wanna send me to Hell for your sake  
Ain't no more ringin' a bell, it could break  
Somebody willin' to die than be safe, and I  
Die for me, I die for you  
We fall to pieces every time I think about movin' on, I can't  
Plus there's blood up off my hands, I

I've done things you can't comprehend  
'Cause we fell behind  
Oh, we fell behind, -hind

You've done things that I don't like (Uh-uh)  
But you crossed the line this time  
Don't say sorry, don't apologize  
'Cause you crossed the line this time  
Tell me why

Um, I know you're in a bit of a weird spot right now  
Things are kinda strange, but um  
I want you to hear this from me  
For the first time
