

# The Kiffness, Please Go Away (Flamenco Edit) ft

I don't know what to do  
I don't know what to say  
So I say hey luga luga luga  
Please go away luga luga luga

I don't know what to do  
I don't know what to say  
So I say hey luga luga luga  
Please go away luga luga luga

I don't know where to run  
I don't know where to hide  
So I don't stay luga luga luga  
I run away luga luga luga

Nowhere to run, nowhere to hide  
I don't know what to do so I just say "Please Go Away"

Please go away  
Please go away
