The Killers, Change Your Mind

Racy days, help me through the hopeless haze But my, oh my Tragic eyes I can't even recognize myself behind So if the answer is no Can I change your mind?

Out again, a siren screams at half past ten And you won't let go While I ignore, that we both felt like this Before it starts to show So if I had a chance Would you let me know?

Why aren't you shaking? Step back in time Graciously taking Oh you're too kind And if the answer is no Can I change your mind?

We're all the same
And love is blind
The sun is gone
Before it shines
And I said if the answer is no
Can I change your mind?
If the answer is no
Can I change your mind?
