

The Killers, Exitlude

Aggressively, we all defend the role we play.
Regrettably, time's come to send you on your way.
We've seen it all: bonfires of trust, flash floods of pain.
It doesn't really matter, don't you worry it'll all work out.
No it doesn't even matter, don't you worry that ain't what it's all about.

We hope you enjoyed your stay
It's good to have you with us
Even if it's just for the day
We hope you enjoyed your stay
Outside the sun is shining
Seems like heaven ain't far away
It's good to have you with us
Even if it's just for the day
