The Killers, I Can't Stay

The emotion it was Electric And the stars, they all aligned I knew I had to make my Decision But I never made the time No, I never made the time

In the dark, for a while now I can't stay, so far I can't stay, much longer Riding my decision home

Exoneration lost his Eraser But my forgiver found the sun And there are twisted days that I take comfort Cause I'm not the only one No, I'm not the only one

In the dark, for a while now I can't stay, very far I can't stay, much longer Riding my decision home

There is a majesty at my doorstep There is a little boy in her arms Now we'll parade around without game plans Obligations, or alarm

In the dark, for a while now I can't stay, very far I can't stay, much longer Riding my decision home

In the dark, for a while now I can't stay, so far I can't stay, much longer Riding my decision home In the dark (in the dark)
