

The Killers, Run For Cover

What have you gotten to report
to your progenitors?
are you excuses any better than
your senator's
he held a conference while his wife was standing by
he did her dirty but no one died

saw someone listed on the street
last night
black-fisted and strong singing
redemption song
I have heaven and thunder cry

Run For Cover
run while you baby
don't look back
you gotta run for cover
don't be afraid of the fear that's a plain eyed trap
you know you're not the only one
and don't look back jus run for cover
