

# The Kills, Desperado

Desperado  
Sitting in a old Monte Carlo  
A man whose heart is hollow  
Uh huh, take it easy  
I'm not trying go against you  
Actually, I'm going with you

Gotta get up out of here  
And you ain't leaving me behind  
I know you won't,  
Coz we share common interests  
You need me, there ain't no leaving me behind  
Never know, no, just want out of here  
Yeah, once we're gone,  
Ain't no going back

If you want, take a peek and run away  
Running from and it's out of luck, yeah, yeah,  
There ain't nothing  
There ain't nothing here for me  
There ain't nothing here for me anymore  
But I don't wanna be alone

O!  
O, o, o!

Desperado  
Sitting in an old Monte Carlo  
We've both had our cash broken  
Take it easy  
I'm not trying to go against you  
I can be a lone wolf fishing

Gotta get up out of here  
And you ain't leaving me behind  
I know you won't,  
Coz we share common interests  
You need me, there ain't no leaving me behind  
Never know, no, just want out of here  
Yeah, once we're gone,  
Ain't no going back

If you want, take a peek and run away  
Running from and it's out of luck, yeah, yeah,  
There ain't nothing  
There ain't nothing here for me  
There ain't nothing here for me anymore  
But I don't wanna be alone

Dear, desperado  
Yeah, I don't wanna be alone  
/2x

If you want, take a peek and run away  
Running from and it's out of luck, yeah, yeah,  
There ain't nothing  
There ain't nothing here for me  
There ain't nothing here for me anymore  
But I don't wanna be alone

Yeah, yeee  
Yeah, yeee  
Yeah, yeee  
O, o!
