

# The Kills, Hitched

Don't you leave me here  
Don't you leave me here  
Get my name stitched on your lips so you won't get hitched  
Get back, get by  
Get a room, give me 105  
Don't lie, don't care  
Don't answer if you call me there  
Don't you leave me here  
Don't you leave me here  
Get my name stitched on your lips so you won't get hitched.  
Lay down by the road  
Black rocks and a can of holes  
Gone four, gone five  
Sweating, cussing on the mean side  
Don't you leave me here  
Don't you leave me here  
Get my name stitched on your lips so you won't get  
Get my name stitched on your lips so you won't get  
Hitched  
Keep, keep on your mean side  
Keep, keep on your mean side  
Keep, keep on your mean side  
Keep, keep on your mean side  
Get my name stitched on your lips so you won't get  
Hitched  
Sit tight, getting by  
Got a room, got my 10-5  
Say it son, get gone  
Smiling, all like a dead-eyed dog  
Don't you leave me here  
Don't you leave me here  
Get my name stitched on your lips so you won't get  
Get my name stitched on your lips so you won't get  
Hitched  
Get my name stitched on your lips so you won't get  
Get my name stitched on your lips so you won't get  
Hitched  
Keep, keep on your mean side  
Keep, keep on your mean side  
Keep, keep on your mean side  
Keep, keep on your mean side  
Keep, keep on your mean side  
Keep, keep on your mean side  
Keep, keep on your mean side  
Keep, keep on your mean side  
Keep, keep on your mean side
