

The Kills, Nail In My Coffin

I am no better at this than you are
Unfinished business maybe, do love
I can't change myself into you dear
What you are to me is far too unclear

Quit being a nail in my coffin and I don't need another one
Quit being a nail in my coffin and lord knows I ain't ready yet
Quit being a nail in my coffin and I don't need another one
Quit being a line I'm crossing and I am never gonna get back from

Oh oh oh oh oh
Oh oh oh oh oh
Oh oh oh oh oh
Oh oh oh oh oh

I am no better at this than you are
Loneliness never truly leaves me alone
I have made mistakes I can't take back home
I love you just not the way you want

Quit being a nail in my coffin and I don't need another one
Quit being a nail in my coffin and lord knows I ain't ready yet
Quit being a nail in my coffin and I don't need another one
Quit being a line I'm crossing and I am never gonna get back from

Oh oh oh oh oh
Oh oh oh oh oh
Oh oh oh oh oh
Oh oh oh oh oh

Oh oh oh oh oh
Oh oh oh oh oh
Oh oh oh oh oh
Oh oh oh oh oh

Quit being a nail in my coffin and I don't need another one
Quit being a nail in my coffin and lord knows I ain't ready yet
Quit being a nail in my coffin and I don't need another one
Quit being a line I'm crossing and I am never gonna get back from

Quit being a nail in my coffin and I don't need another one
Quit being a nail in my coffin and lord knows I ain't ready yet
Quit being a nail in my coffin and I don't need another one
Quit being a line I'm crossing and I am never gonna get back from

Oh oh oh oh oh
Oh oh oh oh oh
Oh oh oh oh oh
Oh oh oh oh oh
