

# The Kingston Trio, Como Se Viene, Se Va

Chorus:

Como se viene, se va, easy love never goes far.

Love that comes easy the wise men say, leaves just as easy and fades away.

Chorus)

Lips free with kisses soon leave you blue. Kisses too easy are never true.

(Chorus)

Sometimes the road to romance maybe long but if your strong, you won't go wrong.

You must have faith and you must be sincere. Don't borrow love that is here today and gone tomorrow.

Sweethearts who quarrel and make up fast soon learn that hard to get love with last.

(Chorus twice)
