

The Kingston Trio, Four Strong Winds

Chorus:

Four strong winds that blow lonely, seven seas that run high, all these things that don't change, come
But our good times are all gone and I'm bound for moving on. I'll look for you if I'm ever back this way

Guess I'll go out to the mountains where there's good there in the fall. Got some friends that I can't
Still, I wish you'd change your mind if I'd ask you one more time, but we've been through that a hundred

(Chorus)

If I get there 'fore the snow flies and if things are going good, you could meet me if I sent you down
But by then it would be winter, nothing much for you to do and the wind sure blows cold way out there

(Chorus)
