

# The Kingston Trio, Rider

Chorus:

Well, I know you, Rider, gonna miss me when I'm gone. (Repeat)  
You're gonna miss your daddy rollin' in your arms.

Well, the sun's gonna shine on my back porch some day. I said (Repeat)  
Then the wind from the river's gonna blow all my troubles away.

(Chorus)

Well, I ain't got a nickel, no, I ain't got a lousy dime. (Repeat)  
But I got a long way to go 'fore the end of my time.

(Chorus)

It takes a hard hearted woman to make a long time men feel bad. (Repeat)  
'Cause it makes him remember the long hard road that he's had.

(Chorus)
