

# The Kinks, Cadillac

I don't want no Cadillac  
(C-A-D-I-L-L-A-C)  
The one I got I'm gonna take it back  
(C-A-D-I-L-L-A-C)  
Come down to my house early in the morning  
(C-A-D-I-L-L-A-C)  
Look at the car wouldn't give me no warning

Oh, Cadillac

Well look in the sun but it wasn't no Jack(?)  
(C-A-D-I-L-L-A-C)  
I think I'll take this Cadillac back  
(C-A-D-I-L-L-A-C)  
A pretty little American walking down the street  
(C-A-D-I-L-L-A-C)  
Look at the car (?)  
(C-A-D-I-L-L-A-C)

Oh, Cadillac

I don't want no Cadillac

The one I got I'm gonna take it back
