

# The Kinks, Moving Pictures

Life is only a moving picture  
Nothing in life is a permanent fixture  
Oh no oh oh no

Black girls, white girls oh what a mixture  
Looking as pretty as a picture  
Oh no oh oh no

We live, we die no one knows why  
We come, we go we see the show  
And it's always moving, always moving  
Life is only a moving picture

Oh, life can sometimes not be very nice  
But then you make your choice so you must pay the price  
You take the good and bad 'cos life's all work and play  
And it soon fades away  
Oh no oh oh no

Life is only what you make out  
So make the verses rhyme and all the pieces fit  
There isn't any time to make much sense of it  
It soon fades away  
Oh no oh oh no

Life is only a moving picture  
Nothing in life is a permanent fixture  
Oh no oh oh no

We live, we die no one knows why  
We come, we go we see the show  
And it's always moving, always moving  
Look at all those moving pictures  
Nothing in life is a permanent fixture  
Oh no oh oh no

It's only moving, only moving, only moving pictures
