

# The Kinks, Party Line

(Hello, who's that speaking, please?)

I'm on a party line,  
Wonderin' all the time,  
Who's on the other end?  
Is she big, is she small?  
Is she a she at all?  
Who's on my party line?

Wish I had a more direct connection.  
This party line was here when I arrived.  
And I'm not voting in the next election,  
If they don't do something about finding out  
the person who is on my party line.

I'm on a party line.  
I'm on a party line.

I can't speak without an interception.  
This is private, please get off my line.  
Please tell me when I can have my privacy.  
I'd like to meet the girl who's always talking  
when I'm speaking on my party line.

Wish I had a more direct connection.  
This party line was here when I arrived.  
And I'm not voting in the next election,  
If they don't do something about finding out  
the person who is on my party line.
