

# The Kinks, Sand On My Shoes

As I sit by the sea  
Drink tequila by the shade of a tree  
There's a seniorita sat on my knee  
Sprinkling sand all over me

I've got sand on my shoes  
I've lost everything that I'm gonna lose  
I've got nothing but the sun and the moon  
And the sand that's on the beach

I am happy though my shoes are tattered and torn  
Because the sea is so shiney  
Ba ba-um-ba  
Ba ba ba ba ba ba ba-um-ba

I've got sand on my shoes

Thought I was civilized  
Till I saw the sea and I realized  
That the city life was just not for me  
Left my troubles behind me  
Ba ba-um-ba  
Ba ba ba ba ba ba ba-um-ba

I've got sand on my shoes  
I've got nothing else that I'm gonna lose  
I've got nothing but the sun and the moon  
And that's plenty for me

I've got sand on my shoes  
I've got sand on my shoes  
I've got sand on my shoes  
Sand on my shoes  
Ba ba ba ba-um-ba  
Ba ba ba ba ba ba ba-um-ba
