

The Kinks, Supersonic Rocket Ship

Let me take you on a little trip,
My supersonic ship's
At your disposal if you feel so inclined - well alright
We're gonna travel faster than light,
Do up your overcoat tight
And you'll go anywhere you want to decide - well alright

Too many people
side by side
Got no place to hide

On my supersonic rocket ship,
Nobody has to be hip
Nobody needs to be out of sight - out of site
Nobody's gonna travel second class,
There'll be equality
And no suppression of minorities

We'll take this planet
shake it round
And turn it upside down

On my supersonic rocket ship

It aint no magic
Aint no lie

Up and down,
round and round

On my supersonic rocket ship

Let me take you on a little trip,
My supersonic ship's
At your disposal if you feel so inclined - well alright
Nobody's gonna travel second class,
There'll be equality
And no suppression of minorities - well alright

Let me take you on a little trip

On my supersonic rocket ship
